Good Afternoon Susan,

In response to your attached question involving the demolition debris generated as a result of the buyout performed by LICRAT on the towns of Picher, Cardin, Hockerville, the Repository was never closed to the trust for the disposal of demolition debris.

Have a pleasant day.

- 1) Was the Repository ever closed to the trust for the disposal of their waste
- 2) if so, what was the date and do you have any documentation - a letter or such saying so

Thanks,
